Snow Removal

Fort Wayne city trucks plow neighborhoods when a snowfall is **3 inches or more**. (Generally 48 hours after the snowfall ends and priority 1 and 2 streets are safe.)

To aid residents, we have **contracted plowing services at a 2 inch snowfall and salting** of the 6 entrances when needed.

Driveways continue to be the homeowners responsibility. Homeowners have the option of staking to assist with plowing.

Weighted snow at the end of driveways can be heavy; ask a neighbor if you need help.

Holiday Living Tips

- Lighting displays should be UL listed with proper extension cords.
- Remember, empty boxes advertise your new gift to would-be thieves. Use your trash containers to obscure the contents.
- Fireworks can be used from 10AM Dec. 31 until 1AM Jan. 1.
- Report **ANY SUSPICIOUS ACTIVITY** to the police; Non-Emergency calls 427-1222. Police website <http://www.fwpd.org/daily/>
