The proposal for a neighborhood park has been submitted to Fort Wayne Parks and Recreation. **Sheldon Park**, would be located between the Maplewood Park and Cambridge Oaks subdivisions on Sheldon Drive.

Preliminary designs for this project show a playground, some parking area, and possibly a walking path.

## Architectural Control Committee

All construction, repair, replacement, structure installation, or improvement of any type must have approval from the ACC. Items required for approval include, primary home, shed, driveway and fence. Make the ACC form the first step in your planned renovation. The form is available at: [www.maplewoodcommunity.org](http://www.maplewoodcommunity.org)

The association is collecting **Donations** to benefit the St. Joseph Township pantry. Donations help our community members who need assistance during this time. Please bring unused paper products and/or personal hygiene items to the next association meeting to join in our donation effort. Can't make it to the meeting, but still want to donate? Email [Maplewood.Community@yahoo.com](mailto:Maplewood.Community@yahoo.com) with your donation request and a member of the association will coordinate donation pick-up with you.

The association is collecting **Contact Information** for every household in the neighborhood. This information will be used for association purposes only and will not be shared. Please send your name, address, and phone number to [Maplewood.Community@yahoo.com](mailto:Maplewood.Community@yahoo.com)

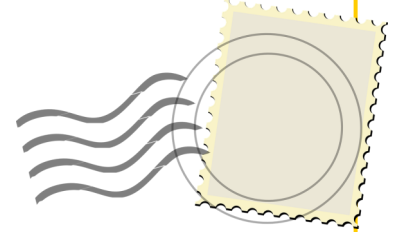

**E-mail!**

The **Easter Bunny** will not be able to make it this year but they are sending some helpers to share sweet treats in our neighborhood. Bunny's friends will ride through the association on April 3<sup>rd</sup> (Rain date of April 10<sup>th</sup>) from 1-3pm. Watch for a vehicle transporting Bunny's friends driving slowly past your home and come to the curb to receive your treat!

For safety: Trier/Maplecrest children should come inside the association streets. Please drive slowly and do not pass the Easter Bunny.

**Mailboxes** With the ongoing Maplecrest construction, the association has proposed a project to help enhance curb appeal in the neighborhood by purchasing and installing new Mailboxes throughout our community. This proposal will be discussed and voted on during our next association meeting on April 26, 2021 at 7:00pm at the St. Joe Community Hall. Have thoughts that you would like to share with the neighborhood? Make sure to attend the meeting so your opinions can be heard!

Can't attend the meeting? Scan the QR code with the camera app on your phone and click the link to access and complete the survey before the April 26th meeting so we can share your thoughts.

QR Code not your style? Type in this web address on your internet browser to complete the survey.

## Treasures Report

The Maplewood Community Association is currently saving toward new entrance signs and our dues are making it possible! New signs will be installed upon completion of the Maplecrest widening project and a grant from the city is also helping offset costs to make this possible. To review the full Treasures Report please visit: [www.maplewoodcommunity.org/](http://www.maplewoodcommunity.org/).

**Trash/Recycling Bins** Keep our community looking great by moving your trash and recycling bins inside of your garage or to the side of your home when not at the curb for pickup. Contact the ACC if you choose to install some type of screen to block the view of your trash cans.
